<p>WHAT HAPPENS IN US The strongest trees are always those that have weathered the greatest number of storms. The question is not what is happening to the tree, but what is happening <i>in</i> the tree. It is the same with us. It really doesn't matter what happens to us, but it matters a great deal what happens <i>in us</i>.</p>						1	2

So you can't a multitude feed – Take some food to someone in need. So you can't a lame man heal – Drive him to church in your automobile. So you can't restore sight to the blind – Share your eyes and heart and mind. So you can't raise the dead – Comfort the living by sharing and yourself giving. So at soul saving, you are not a whiz – You can tell others of the One who is!</p> <p><i>Ruth M. Wallsh</i></p>
